Integration - Wedge For Revolution NEGRO MADE PAWN OF COMMUNISM

U. N. "P E A C E" AGITATOR

Analysis has long been recognized as the basis of understanding. This particular analysis is made without the benefit of any gobbledegook or labored epigrams that would be fitting for a Harvard or Brandeis pseudo-intellectual professor. In fact, this analysis is so terse and in sufficiently simple language as to enable anyone of reason to easily understand what is behind integration.

Integration is the association of different groups so that they will merge one with the other. In every case where there has been integration, mongrelization has been the result. Hence, mongrelization is the ultimate and acknowledged aim of those who are for integration. Every country where there is integration is in turmoil. Every civilization that has been destroyed was first integrated; and history has a way of repeating itself.

In the South, Negroes and Whites have been living in harmony for many years—each with his own race. There are fewer mulattoes proportionately now than there were 60 years ago. Now we in America are having forced upon us the most diabolical scheme ever perpetrated against any segment of the human race—namely, forced integration by a law not of the people, but by a dictator at the point of rifles and bayonets. White people are no longer allowed to associate with those of their choice. If the policies now advocated by those in control are adopted, those people in the United States who want to keep a White race will have to go to a country where they have more intelligent leaders.

There are many groups who are advocating integration. Among the main ones are—

THE COMMUNISTS

—To take over and control America

The communists are not fools; they know it would be impossible to conquer America from the outside now. But with a mongrelized state torn asunder from within, there will be little resistance that cannot be easily overcome. They also know that a war would be useless destruction when they have a superb Trojan Horse (integration) already inside the United States, controlled by their co-workers, the Jews and Jew stooges in high government places. Ever since the Hoover Administration, communism has been gaining through its socio-communist policies in all three branches of our Government. Now, with the executive and judicial branches of our Government subjugating the legislative branch, the Trojan Horse is ready to disgorge for the final kill, with integration and mongrelization. To divide and conquer has always been the easiest way to win. America has never been more divided than it is now. With loss of control over property, loss of freedom of association, loss of the right to express initiative, the soul of America is being destroyed. To think of communism as practicing brotherly love is assinine. The communists preach integration to weaken us; but they do not practice what they preach.

Mongrelization of America is far more destructive than all of the Soviet Union's bombs. We need not fear her bombs, for she does not want a scorched America and she

has a fair chance of taking our country without firing a shot. This will be followed up with the slaughtering of the reds who betrayed America and the Christians who loved it—just as has been done in every country, including Cuba, that the communists have taken over.

Working with the communists in advocating integration are—

THE JEWS

—To destroy the White Race and Christianity, and ultimately to rule the world.

Communism is the brainchild of the Jew Marx and Engels. Although not all Jews are openly communist, they are the chief proponents of communism. They are the chief instigators of integration. They are the ones who led the movement to take God out of the schools and put the Negroes in. They

have always been the trouble makers in the world stirring up strife wherever they go, as shown by the Old Testament and world history. The Jews hate the Christian religion and all Christians. Every Zionist organization is for integration—of Christians. The purity of the White race, and of the Negro race should be preserved. If the White and Negro races integrate, the result will be a docile mongrelized race easy to control. To achieve their goal to rule the world, there is no moral code the Jews respect. Their aim is to keep others in turmoil and strife for their own ends, and they will stop at no means to attain those ends, the most effective of which are the—

MEDIA OF MASS COMMUNICATION

—To indoctrinate the stupid Goyim

That the news media of the United States (radio, tv and the press) are owned or controlled by the Jews is a known fact. They will withhold all advertising where the mentioning of Jews, or any policy that they favor, is in other than the most commendable terms. The main theme is to glorify the Negro and deride the White Southerner, and to smear, as the lunatic right fringe, all who dare to defend the Constitution, Christianity and the America of our founding fathers.

THE POLITICIAN—To get votes

Once an honored and dignified profession, politics has taken on an all-time low. For many present-day politicians, nothing is too low if it results in votes. Today to call one a politician is a near-insult. The reaction to the word "politician" is liar, grafter, janus-face who will betray friends, family, morals, country and God if, by so doing, he will get votes. These people are found in the lowest to the very highest places in our Government. Those politicians who are for integration know there is a large block of voters who will fall for their unscrupulous tactics and who can be controlled by will. It is pathetic to note that our executive and judicial branches are now composed for the most part of politicians, instead of statesmen and jurists. That many in our legislative branch have succumbed to the other two branches is alarming. Politicians do not consider if a law is best for the country, but how many votes it will get them. The reason most labor leaders are for integration is that they are politicians first, and, acting like politicians, they represent their own self-interest, rather than speaking for most of their members.

THE BRAINWASHED DO-GOODERS

—To go with the crowd and to promote self-interest

These people who are advocating integration are the ones whose behavior is controlled by their emotions and by suggestion. The Jews, being masters of suggestion and deceit, have them under control to such extent that many aid communism, which aims to destroy the God they worship. These do-gooders are for integration as it gives them a chance to indulge their desire to be important, which desire has been thwarted due to their inferiority. The socialists are
